

STALLING REQUEST

In order to set up enough pens and stalls to accommodate your livestock, we need to know how many of what species you are bringing to the Fair. Please report the total numbers below. We need this back in the Office no later than **JULY 6, 2026**.

If you are bringing more than one specie as a family and they can go in the same pen, please only request one stall. (Example, 3 pigs=1 Swine pen, 2 lambs=1 Lamb pen)
